

The background features several large, stylized, overlapping swirls in shades of purple, green, and light blue. Interspersed among these swirls are numerous small, yellow, starburst-like shapes, some pointing upwards and others downwards, creating a celebratory and dynamic feel.

My Transplant Story

By _____

My Transplant Story

This is a picture of
me before I had
my transplant.

The University of Alberta Hospital, Stollery Children's Hospital

This is the hospital
where I had my
transplant

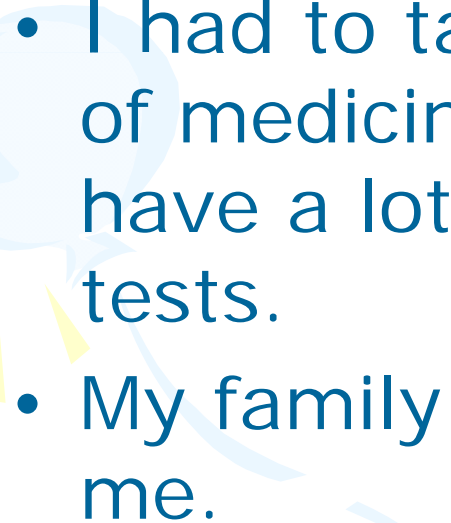

Right After my Surgery

This is me in the Pediatric Intensive Care Unit, they call it PICU for short.

Getting Better

Here I am slowly getting better.

- I had to take a lot of medicine and have a lot of blood tests.
 - My family was with me.
- 
- 

Going Home

This is me at home
after my transplant

- I still had to see my doctor every week and have some tests.
- I am getting better everyday.
